O R D E R

Upon consideration of the petition for reconsideration of the court's June 26, 2024 order denying petitioner's motion for a stay, it is

ORDERED that the petition for reconsideration be denied. In neither the motion for a stay nor the petition for reconsideration has petitioner established that it will be irreparably harmed absent a stay given that it could but has not requested from respondents an extension of the deadline to comply with the rule under review. See Nken v. Holder, 556 U.S. 418, 434 (2009).
